

Cortland, New York LOCAL FOODS, LOCAL PLACES WORKSHOP

The local and federal partners completed a walking and driving tour of Cortland on DAY ONE of LFLP, conducting key informant interviews with Cortland local foods business owners such as Main Street Farms, the Local Food Market, and Coffee Mania along the way.

The Community Meeting at the Elks Lodge on DAY ONE was well attended with a diverse group actively participating in identifying our community values, vision and goals for Cortland's LFLP Action Plan.

DAY TWO of LFLP saw an even larger group come together for seven hours at the Port Watson Mini Conference Center, exploring strategies for accomplishing community goals, creating an action plan for achieving them, and sharing in some of the best local foods Cortland County has to offer.

Thanks to our **SPONSORS**: Seven Valleys Health Coalition, City of Cortland, Cortland Food Project, Health Foundation for Western and Central NY, Cortland Regional Medical Center, Family Health Network, Byrne Dairy, and Farm Credit East
